

Curriculum Vita
JOSEPH HILGARD

DeGarmo Hall
Campus Box 4620
Illinois State University
Normal, IL 61790-4620

Lab: 309.438.3982
Cell: 618.210.8530
Email: jhilgard@gmail.com
Open Science Framework: <https://osf.io/pk8as/>
GitHub: <https://github.com/Joe-Hilgard>

Education

| | | | |
|-------|------------------------|----------------------------------|------|
| Ph.D. | University of Missouri | Psychology | 2015 |
| M.A. | University of Missouri | Psychology | 2012 |
| B.A. | Dartmouth College | Neuroscience, Russian Literature | 2007 |

Employment

| | |
|----------------|---|
| 2017 – present | Assistant Professor, Industrial/Organizational-Social Psychology Department of Psychology Illinois State University |
| 2015 – 2017 | Drs. Gloria & Jack Chisum Postdoctoral Research Fellow Annenberg Public Policy Center University of Pennsylvania |

Service in Professional Societies

Member of the executive committee, Society for the Improvement of Psychological Science,
2018 – present

Honors and Awards

Research Initiative Award, Illinois State University, 2021
Nominee, Excellence Award for Outstanding Scholarly Achievement of the Year by a Pre-tenured Faculty Member, Illinois State University, College of Arts and Sciences, 2018
Department nominee, Donald K. Anderson Graduate Teaching Award, University of Missouri, 2015
1st place Psychology poster award, Bond Life Sciences Week, University of Missouri, 2011, 2012
Bond Life Sciences Fellow, University of Missouri, 2009-2013

Publications

Hilgard, J. (in press). Maximal positive controls: A method for estimating the largest plausible effect size. *Journal of Experimental Social Psychology*.

Research experience

| | |
|----------------|---|
| 2017 – present | Assistant professor, Illinois State University |
| 2015 – 2017 | Postdoctoral research fellow, University of Pennsylvania |
| 2009 – 2015 | Graduate student, University of Missouri - Columbia |
| 2007 – 2009 | Research assistant to Dr. Todd Braver and Dr. Deanna Barch, Washington University |

Teaching experience

| | |
|----------------|--|
| 2017 – present | Assistant professor, Illinois State University Introduction to Psychology Introduction to Social Psychology Motivation Dynamics of Social Behavior – Aggression Theory and Research in Social Psychology (graduate seminar) |
| 2015 | Invited workshop on the use of Bayes factors, Northern Illinois University |
| 2014 | Instructor, Statistics (Research Methods II), Department of Psychological Sciences, University of Missouri |
| 2014 | Departmental workshop on the use of R package “ggplot2” for datavis |
| 2013 – 2014 | Instructor, Statistics (Graduate Statistical Software & Data Management), Department of Psychological Sciences, University of Missouri |

Funding

| | |
|-----------|--|
| 2015-2017 | Drs. Gloria and Melvin “Jack” Chisum Research Fellowship |
| 2013-2015 | Teaching assistantship |
| 2009-2013 | Bond Life Sciences Fellowship |

Invited lectures

What is measured by measures of aggressive thought? (2020, Feb). Guest lecture presented to the Department of Psychology at DePaul University.

- Is meta-analysis fixed or forked? Violent video games and aggressive behavior. (2019, Sept). Guest lecture presented to the Department of Social & Personality Psychology at the University of Illinois at Chicago.
- How little we know about aggression: Insights from experiments, psychometrics, and meta-analysis. (2019, Jan). Guest lecture presented to the Department of Social Psychology at Northwestern University.
- Adjusting for publication bias in meta-analysis: Advances, challenges, and the replication crisis. (2019, Jan). Guest lecture presented to the Department of Clinical Psychology at Northwestern University.
- You can't squeeze blood out of a turnip: Corrections for publication bias in meta-analysis. (2018, Feb) Guest lecture presented to the Department of Psychology at University of Illinois Urbana-Champaign.
- Understanding and addressing the replication crisis in social psychology. (2017, Sept). Guest lecture presented to PSYC 410 "Giving Psychology Away: Critical Thinking and Public Communication" at University of Louisville.
- Detection of, and adjustment for, bias in meta-analysis. (2017, Feb). Lecture presented to Topics in Current Economic Research at University of Hohenheim, Stuttgart, Germany.
- Bayesian hypothesis testing: The why and how. (2015, Dec). Lecture presented to the Bayesian Statistics Interest Group at Northern Illinois University.

Symposia presented

- Hilgard, J.** (2020, Feb) What bias adjustment can do for terror management theory. In R. Benjamin (chair) ... Society for Personality and Social Psychology, New Orleans, Louisiana.
- Hilgard, J.** (2019, Aug) How little we know about the effects of violent video games. American Psychological Association, Chicago, IL.
- Hilgard, J.** (2019, Feb) Choosing among bias adjustments with Bayes factors. In J. Haaf & **J. Hilgard** (chairs) ... Society for Personality and Social Psychology, Portland, Oregon.
- Hilgard, J.** (2019, Feb) Meta-analysis: Open data & adjustments for publication bias. In J. Lodi-Smith (chair) ... Society for Personality and Social Psychology, Portland, Oregon.
- Hilgard, J.** (2018, June) Meta-analysis: Potential and pitfalls in addressing publication bias. Workshop conducted at the Society for the Improvement of Psychological Science annual meeting, Grand Rapids, Michigan.
- Vazire, S., and **Hilgard, J.** (2018, March). Correcting bias: What meta-analysis can and can't do. Roundtable discussion conducted at the Improving Psychological Science: Community Action Meeting, a preconference of the Society for Personality and Social Psychology, Atlanta, Georgia.
- Hilgard, J.** (2017, January). Overestimated effects of violent games. In R. McCarthy (chair), *Social cognition and aggressive behavior: Some ways in which thinking might be linked to aggression*. Panel conducted at the meeting of the Society for Personality and Social Psychology, San Antonio, Texas.
- Hilgard, J.** (2016, June). Detection of, and adjustment for, bias in meta-analysis. Presentation to the Communication Research Methods preconference at the meeting of the International Communication Association, Fukuoka, Japan.
- Hilgard, J.,** Li, N., Scheufele, D. A., Winneg, K. M., & Hall Jamieson, K. (2016, June). Cross-Pressuring Conservative Catholics? The U.S. Public's Reaction to Pope Francis'

Encyclical on Climate Change. In M. Skoric (chair), *Processing political and news information in an age of entertainment and overload*. Panel conducted at the meeting of the International Communication Association, Fukuoka, Japan.

Hilgard, J. & Hall-Jamieson, K. (2016, May). A novel, brief, and general approach to measuring media diet. In P. Pain (chair), *Media use and public opinion*. Panel conducted at the meeting of the World Association for Public Opinion Research, Austin, TX.

Hilgard, J., Bartholow, B. D., Weinberg, A., & Hajcak, G. (2011, May). Reconsidering the negativity bias: An argument for motivated perception. In D. R. Herring & P. A. Gable (chairs), *Electrophysiological correlates of motivationally evaluative processes*. Symposium conducted at the meeting of the Society for the Study of Motivation, Washington, D.C.

Posters presented * denotes student co-author

Hilgard, J., & Cody, O*. (2018). Publication bias impairs power to detect moderators across studies. Poster session presented at the annual meeting of the Society for Personality and Social Psychology, Atlanta, Georgia.
